PiratenationLIVE [PNL] is a product of the Fairhope Pirate Booster Club. Its purpose is to feature excellence in PIRATE Sports, while also promoting the interest of the Student in further studies, and eventually careers, in Broadcasting and Media.

PNL is managed by the Fairhope Pirate Booster Club Adult members. Some of these Adult members are prominent Officials and business people of the City of Fairhope; lending to additional mentoring for the Student Team members.

We do require PARENT permission for Student Participation.
